The aim of the Pass is to encourage our members to get to know one another, and thus cross promote each other's services. Only one member entry will be allowed to a visitor attraction in a single year.

To obtain access to a participating visitor attraction/business, members should **present their BBT Membership Card on arrival**. We suggest you **phone ahead before your visit** to ensure the offer is available, and to meet key staff so you can get to know each other's businesses more.

We ask members to respect the card and the goodwill of those businesses who accept it. If a provider business feels they are being taken advantage of, then they have the right to withdraw or amend their offer at any time.

If you have any questions about the use of your card, please contact Jane Ryall, Brecon Beacons Tourism: marketing@breconbeaconstourism.co.uk, Tel. 07739 748627.
