Marketing, advertising, promotion, social media, training, films/videos

As You See It Productions

Offering marketing videos, photography, online marketing and social media for tourism businesses in the Brecon Beacons.

Former BBC Producer and Cameraman, Tim Jones, can set up social media pages for you, help plan and write content for your website, take the photographs and make the marketing film. Tim is based in Crickhowell and one of his clients is the Bear Hotel.

He has made videos for Rural Alliances, Brecon Beacons Tourism and the National Park Authority. BBT Members get free scripting if they commission a video.

Transport

Eco Travel Network

Eco Travel Network Limited provides fun, lightweight, eco friendly travel across the Brecon Beacons National Park. Visitors to the Brecon Beacons are welcome to hire one of our starter fleet of Renault Twizys from local tourist business partners across the Park. We provide a friendly charging network across the area with people who share our vision for funky eco transport and

are happy to provide you with power to charge your Twizy. This network also provides our visitors with an interesting choice of attractions to visit, activities to try and places to eat and drink.
